# ***Updated Special Programs for Summer 2011!***

### **Academic Writing Workshop: With Michael Overa, MA, Professional Writer**

*Improve your writing skills with this intensive workshop • Practice new techniques and strategies for crafting academic papers • Learn new skills for composing an effective thesis statement and practical strategies for synthesizing research • Workshop offered over three days (Dates TBD)*

### **Academic Support with a Fitness Focus**

*Benefit from the use fitness balls during one to one tutoring sessions • Studies show that the use of fitness balls encourages attention and sharper focus, while improving core strength and posture • Limited availability • Requires advance permission from the A.T.A.C. Director*

### **College Admissions 101: With Dr. Alison Staplin, Director and College Counselor**

*Demystify the college admissions process in an individualized setting • Learn the important steps to navigate the college admissions process • Identify and research colleges of interest • Get tips on organizing and completing your college applications • Introductory support for essay direction*

### **Standardized Test Prep**

*SAT • ACT • ISEE • SAT II • Focus on test preparation without the pressure of school with an individualized program tailored to your specific learning needs*

### **SAT and ACT Practice Tests**

*Experience a full-length, proctored test in a group setting which will simulate the environment of test centers • Test score results will be provided (available to students who are also receiving one to one tutoring)*
